Lenoir, North Carolina

COUNTY SEAT OF CALDWELL COUNTY

PREFACE

The City of Lenoir is situated in the western Piedmont section of North Carolina in the foothills of the Blue Ridge Mountains and is the southern gateway to the Blue Ridge Parkway, Blowing Rock-Grandfather Mountain area. It is principally an industrial city with the manufacture of furniture its leading industry, being the largest in the entire United States.

Between 1857 and 1900, however, Lenoir was known as a summer resort and had many summer visitors, while all of those who went to Blowing Rock left the train at Lenoir and drove 23 miles by road up the mountain in horse drawn hacks. The distance is now only 19 miles.

INDUSTRY

It was during this period, however, that the manufacture of furniture first started in Lenoir, since there were many skilled cabinet makers in this area, the descendants of skilled artisans who had been brought over from England by the wealthy plantation owners in Happy Valley and the Yadkin Valley to build the furniture for the homes built in this valley shortly after the Revolution. Several of these beautiful old homes, containing the hand-made furniture, are still standing and in use by the descendants of the families who built them.

By 1900 Lenoir was already well-known as a furniture manufacturing center. This industry has increased steadily until at the present time there are eighteen large families manufacturing plants. In all, there are some 64 different industries operated in Lenoir employing more than 11,000 persons. Of these the furniture industry alone employs more than 6,000 persons, a majority of these being men. The payroll for the furniture industry amounts to approximately $300,000 a week and the total industrial payroll is approximately $600,000 a week. There are also eight cotton spinning mills in Lenoir and the Lenoir area which employs some 3,000 persons, mostly women, also a large plant making work clothing. There are also hosiery mills, machine shops, flour mills, sawmills, millwork plants and other miscellaneous industries.

POPULATION

The population of Lenoir was 10,257 within the city limits according to the 1960 census, while the population of Caldwell County in 1960 was 49,552. The population of the two townships in which Lenoir is located was 26,090 in 1960. Accordingly, the population of Lenoir and the areas

PREFACE

(Continued from page 7)

immediately surrounding it is conservatively estimated at approximately 20,106 persons now, while the trading area is approximately between 60,000 and 65,000.

The difference between the census population and the population living in and adjacent to Lenoir is due to the fact that many of those employed in the industrial plants live outside the city limits or on small farms out in the country.

TRANSPORTATION

Lenoir is served by the Carolina and Northwestern Railway, a subsidiary of the Southern Railway System, extending from Lenoir to Chester, S. C., where it connects with the Seaboard Airline Railway. The C & N W also intersects the main East-West line of the Southern Railway in Hickory, 19 miles south, and the main Washington-Atlanta line of the Southern in Gastonia, some 50 miles south of Lenoir. In addition, Lenoir is served by three state and federal highways which afford frequent bus and freight transportation. Ten large trucking concerns operate out of Lenoir either as common carriers or contract haulers. Regular bus service to all points in the United States is provided by the Atlantic Greyhound lines and the Queen City Coach Company. Through rail passenger service to New York, Chicago and all points is available from Hickory over the Southern Railway System. Piedmont Airlines provides air travel from the Hickory Airport.

TAXES

The tax rate in the city of Lenoir for all purposes is $1.81 for each $100 valuation, for which $1.41 is for city purposes, 30 cents for school purposes and 10 cents for recreation. The county tax rate is 90 cents on each $100 valuation for all county purposes. Property is assessed at approximately 75 per cent of its real value for taxation purposes for both the city and county. No state property levied in North Carolina.

FIRE PROTECTION

Lenoir has a modern up to date fire department. The equipment consists of four fire engines, each equipped with pumping facilities and an auxiliary water truck plus a ladder service truck. The department is manned by a force of 19 full time firemen and 14 part time firemen. The supervisory personnel consists of 9 paid and volunteer officers. The result of this competent fire protection gives an insurance rate of class 5.

The total dollar value of fire loss for metropolitan Lenoir in 1955 was $67,325.00. Property valuation for metropolitan Lenoir is approximately $40,0000,000.00 based on an assessment of 75% property value.

(Continued on page 10)

(Continued from page 9)

WATER SUPPLY

Lenoir has a new modern water plant located on the Catawba River. The daily capacity is 4,500,000 gallons. The present consumption is 1,500,000 gallons giving a 3,000,000 gallon surplus. The Catawba River is practically an unlimited source. It is supplied by numerous mountain streams making it unusually soft and pure.

The Rhodhiss Dam is approximately 5 miles below the filtration plant giving a constant non-varying water level. Clear storage capacity is 4,000,000 gallons.

UTILITIES

The electric power supplied to Lenoir and Caldwell County by the Duke Power Company which with its network of hydro-electric and steam power plants is equipped to deliver an almost unlimited amount of electricity for either domestic or commercial use. Two of Duke Power Company's largest hydro-electric plants are located in Caldwell County. The rates for power in Lenoir and Caldwell County are among the lowest in the United States.

Caldwell County is one of the most highly electrified counties in North Carolina with over 1,000 miles of rural electric lines with more than 5,000 rural customers.

Natural Gas for cooking, refrigerators and heating is now available from the Carolina Natural Gas Corp. Rates are reasonable and decline in proportion to the amount used.

BANKS

Lenoir has two commercial banks — one, a branch of First Union National Bank of North Carolina, Charlotte, N. C. with resources in excess of $168,000,000.00; the other, a branch of the Bank of Granite, Granite Falls, N. C. with resources in excess of $3,500,000.00. There are two savings and loan associations with combined resources totaling over $12,000,000.00 and one industrial bank.

LABOR SUPPLY

An adequate supply of native white labor is available in Lenoir and Caldwell County and is more than 99 per cent native Blue Ridge Mountain stock of pre-Revolution origin. These people are intelligent, hard working and are not inclined to float from one section to another. Most of them own their homes or farms. Their forefathers have lived in this mountain area for more than a century. This supply of native born white-labor with intelligence and ability is the outstanding asset of Lenoir and this entire region.

CIVIC CLUBS

Among the various civic clubs in Lenoir are the Lions Club, Kiwanis Club, Rotary Club, Optimist Club, Exchange Club, Woman's Club, Jr. Woman's Club, Business and Professional Women's Club, Garden Clubs, Lenoir Service Club, Music Clubs, Woodmen of the World, Knights of Pythias, Masonic Order, and the Jaycees.

SCHOOLS

The Lenoir city school system consists of four elementary schools—one junior high school and two senior high schools. There are 102 teachers and supervisors and 2,650 students in the city school system. The city school budget for 1962 was $717,500.00.

In Caldwell County outside the Lenoir school district there are 16 schools with an enrollment of 10,500 students and 372 teachers and supervisors. The county school budget for 1962 was $2,000,000.00.

CHURCHES

The people of Lenoir are deeply religious. This is very evident in the manner in which they carry out their daily life while working or doing business. There are 19 churches in the city of Lenoir representing all principal protestant denominations and the catholic faith.

HOSPITALS

Caldwell County has available the finest in medical and hospital care. There are three hospitals in the city of Lenoir with a total of 195 beds. They are completely equipped and staffed by able doctors and nurses.

CLIMATE

Situated as it is in the foothills of the Blue Ridge Mountains, Lenoir has an unusually mild climate the year around. The average annual temperature of 56.5 degrees with an average summer temperature of 73.7 degrees and a fall average temperature of 57.2 degrees. The average winter temperature is 38.9 degrees and the spring temperature is 56.2 degrees.

Although the altitude in Lenoir is only 1,186 feet, within 18 miles it is possible to attain an altitude of almost 4,000 feet, while Grandfather Mountain in the northwestern edge of the county attains an altitude of 5,964 feet.

RECREATION

Lenoir has two new swimming pools, six parks, including a relaxing downtown park. The American Legion Hall is one of the finest in the south and is used for dances, sporting programs and banquets. The Optimist Club has a large recreation park, for outdoor athletics and sponsors an annual horse show.

A new Lenoir Club with 15 acres of land has been purchased for a new recreation center and will be completed in 1963 with a full time director, Mr. W. B. Stronach, Jr. Also a recreation center is being completed in Freedman, both of which will cost approximately half million dollars. Lenoir has one of the finest country clubs in the state.

Lenoir has a 18-hole Donald Ross golf course that is open year 'round. Blowing Rock (30 minutes driving time) has an 18-hole golf course at a cool 4,000 feet altitude. Blowing Rock is the entrance to the Blue Ridge Parkway.

Caldwell County has hundreds of miles of excellent stream fishing. Our lake fishing is among the finest in the country. Excellent deer and bear hunting are only 30 minutes to an hour's driving time away.

For additional information concerning Lenoir and Caldwell County write to the Lenoir Chamber of Commerce, 112 North Main Street, Lenoir, N. C.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE AND DENOTING BUSINESS PLACES

VOL. XIV 1963 - 1964 VOL. XIV

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(•)—Before name denotes home-owners.

This Publication is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and directory of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.
